

HIGHLIGHTS - Presbytery of Boise February 6, 2010 Stated Meeting

It is official! The **Rev. Edward Dunn** is now the Presbytery Executive for the Presbytery of Boise. With a quick second to the recommendation of the Personnel Committee to drop the "interim" title and no debate, the presbytery voted unanimously to elect Edward as our executive. Check out the Executive's report on the presbytery website.

The presbytery voted to end the partnership with Cape Presbytery in South Africa with a mixture of feelings. This has been a good partnership with worthwhile exchanges but is, unfortunately, no longer viable. The Coordinating Council was encouraged to seek another partnership for the presbytery.
